

## EAFORCE BULLETIN - ADDIS ABABA.

Text for philatelic archival collection

This was a daily bulletin of news picked up from the London Transmission of the British Broadcasting Corporation

**Publisher** : Addis Ababa, British Forces in Ethiopia; 1 February 1941 - 3 March 1942

**Format** : Printed on fragile, yellowish tan toned paper, the trimmed dimensions of this copy are 222mm X 329mm (that is crudely approximating a C4 format).

**Bibliographic description**: EAFORCE BULLETIN (Addis Ababa: Directorate of Printing and Stationery Services) 1941, no. 20, 20th May, p. 1, col. ii.

This is a rare example of this news bulletin. Herein attention is drawn to a newly introduced postal service format for troops in the Middle East, the which was to become known as the "AIRGRAPH" or in the USA "V-MAIL".
