

## FAMILY FRAGMENTS

**PREAMBLE:** My interest in genealogy began late 1999. Over the years, a good deal of my findings were published on [www.pelteret.co.za/genealogy](http://www.pelteret.co.za/genealogy). In October 2012, I decided to move on and explore other interests.

However, the correspondence relating to prior publications did not stop. Between 2011 - 2020 over 230 persons have been in touch, either providing information complementing that published earlier or seeking specific information. A good deal of the correspondence represented considerable work and decided research acumen on the part of the correspondent.

I have been prevailed upon to publish particularly worthwhile material as an addendum to my original publications. These are they.

What a wonderful gift you gave your wife – gathering the history of the Kotze family.

I am the granddaughter of Roelof (Born 4 Dec1876) and Grace (Murray) Kotze.

Briefly...his father was Frederick Jacobus Kotze (29 May 1842)

His father was Frederick Jacobus Kotze (14 Sep 1806)

Johannes Jacobus (12 April 1767)

Jan Jurgens Kotze (7 Sept 1734)

Dirk Kotze (24 Aug 1692)

Jan Kotze (25 Jan 1652) etc etc

**2009/04/14, 6:40 pm**

I would be very happy to share what I have – it was given to my mother ....years ago and we have had odd attempts at filling in the missing bits but not had much luck until yesterday.... when I came across your site.

The information I have was gathered by Errol van Buuren, from Johannesburg. It is typed but I will get it written up and send it to you as soon as possible.

Frederick Jacobus Kotze (14 Sep 1806) HAVE HIM AS Frederik Johannes ~ 14.9.1806  
Died 12 Oct 1892 Could he have been Frederick Johannes Jacobus?????

Thank you so much for Susan's email address. What is really interesting is that Amy and Louisa Kotze both went to Dorset for their retirement. My Mum, sister and I, after much detective work went to visit them on one of our holidays in the UK. Amy was 96 and Louisa was 103! We had the most brilliant day BUT took NO photographs!!!! What a shame!
